**Subject:** Canceling branch meeting

Hi,

I've cancelled the branch meeting this week and the aldicarb team as a AA briefing for Alex at that time. Instead of trying to move it to another time, I am just canceling. I know that several of you are finishing up actions to either get to the EFED review panel or meet another deadline. There wasn't any OPP Senior Management Notes as there was final Q&A for supervisors for the PARS system. As I mentioned, please take your ethics training when you can, especially if you are off in December. I have also taken some time off in December. I am also taking this Friday afternoon off as well.

I have a UAV conference next week from Dec 1-3 from 11-3pm, so I won't be readily able to respond to emails/call.

Amy Leave  
Dec 11 and 14  
December 17-18  
December 23, 24, 28

Thanks,  
Amy
